RULES

TIENS

E-CAR INCENTIVE 2023 | RULES

TIENS

- The qualification period lasts from April 2023 and runs to September 2023.
- Only Distributors who meet the requirements during the qualification period are eligible to receive the awards.
- The payment period lasts from Oct 2023 to Sep 2024 and is eligible only for the qualified Distributors from period 1. Those qualified DS who meet the monthly payment requirements will get monthly rewards towards car rental (subscription).
- This E-Car Award Program cannot be combined with the “Special Award Advanced Payment” from the first half of 2023, and the winners for both programmes can choose which one to get. This program is not open to the winners (8 stars and above awards) of 2022 car award program.
- Prizes for this program are the Advanced payment of TIENS Special Award and will only be paid in the form of rental for Electric Car (NIO); not payable in cash.
- The value of the E-Car Prize paid to its winner will be deducted from the Special Award Payment when the advanced awardee is qualified and eligible to receive it from TIENS Standard Compensation Plan.
